Scholarships

2008 Idaho

Deadline—April 25, 2008

Scholarship Choice: ☐ CIC ☐ CISR

The PIA Oregon/Idaho Annual CIC & CISR Scholarship programs are part of our continuing education commitment to career-minded insurance professionals needing assistance to start or complete their education. It is our belief that true professionals never stop learning and that the best insurance professionals make a career commitment to their own growth.

◆◆◆◆◆◆◆◆◆◆◆

The PIA in conjunction with the National Alliance grants five scholarships for each program every year. The scholarships cover the registration fee for a single CIC or CISR course of their choice in Idaho from May 31, 2008 to June 1, 2009. Recipients will be notified in May, so it is vital that the applications be received by the PIA no later than April 25, 2008.

◆◆◆◆◆◆◆◆◆◆◆

The selection of the scholarship recipient is made by the CIC and CISR Advisory Committees on the basis of the following information:

✦ The nominee will be a full-time insurance professional who has been in the insurance business for at least two years; or is a licensed agent, broker or solicitor; or a full-time insurance faculty member of an accredited college or university.
✦ The nominee should demonstrate an interest in and commitment to professional continuing education.
✦ The nominee may not now, nor ever have been a CIC if applying for a CIC scholarship or a CISR if applying for a CISR scholarship. In addition, the nominee may not have previously been awarded a scholarship for the class they wish to attend, CIC or CISR.

NOTE: Individuals wanting scholarships may apply for themselves. You do not need an outside party to be nominated. Please fax completed form to PIA at 888-346-4466 or email Pam Busch at pambusch@piawest.com
